

# Nursery 'Little Inventors' competition

Calling all little inventors! Do you have a fantastic idea for a brand new invention?

The Little Inventors nursery challenge invites you to become an inventor. It is a competition and the winners will receive a special prize, show off their design in whole school worship and feature on the newsletter.

We know your children have wonderful imaginations and we cannot wait to see what they come up with. Please present your ideas, however you feel works. A poster or a model would be a great way to share their creative ideas. Please provide a little description of your child's invention, so we can help them to explain it to the rest of nursery.

Please enjoy the time spent inventing and talking with your child. Encourage them to use their imagination and lots and lots of descriptive vocabulary.

**Please send your mini inventor's  
creations in on Wednesday 28<sup>th</sup> February  
2018**
