Chief Executive of 1Excellence Multi Academy Trust: Mrs Valerie Hall

Date: 20.4.18

Dear Parent or Carer

Your child would like to be given an opportunity to come to school on their bike. Due to lack of space, bike rack places can only be offered to key stage two children. We want to do all we can to encourage children to have healthy lifestyles but have a very limited amount of space and racks at present, so have to use them as fairly as we can.

Places will be allocated termly and we try to give every child a turn to come to school on their bike. We cannot take scooters or other toys, as we do not have enough room. If your child comes to school on a scooter please take it home with you and bring it back at home time so your child can ride home on it.

Please be aware that parents must insist that children wear a cycle helmet at all times and the bike is in good repair. Children must not ride their bike on the school yard and lock it up using a secure appropriate bike lock.

If your child is found riding their bike on the school yard or not wearing a helmet they may have the privilege removed.

Please sign the slip below and return it to school.

Yours Sincerely  
Mrs V Hall  
Head Teacher
