

St. Mark's Nursery
Weekly Newsletter w/b 11/06/17

This half term's theme is 'Mini Explorers'

We are going to make the most of our garden and the summer weather! We have planted our pumpkins, courgettes and peas that the children planted as seeds. We will learn how things grow and what we need to do to care for them. Throughout this topic, we will also be learning all about 'Mini Beasts' and the creatures that we find outside. It will include lots of sorting and counting, as well as making labels for the things we plant.

Things to do at home:

The children may like to plant and grow some seeds at home. Cress and sunflowers are always good ones for children to attempt, as they grow quickly. We would love to see some photos of anything you plant at home. This could be an opportunity to send your photos into our 2simple system. If you are unsure about how to do this, please see the link on the school website under the 'Nursery' tab, '2simple family share parents letter'.

Please help:

There are large amounts of unclaimed and unwanted items of clothing in nursery. Lost property items in nursery will be available to claim on Friday 15th June, after school, in the school hall. Parents can take what they would like because after that night all property will be disposed of.

Special Events

To link in with our 'Mini Beasts' topic our nursery will be visiting Hardwick Park which takes place next week on Thursday 14th June. We have an exciting and fun day planned and the children will be taking part in a workshop called 'The Very Hungry Caterpillar'. Please bring your child into nursery at the normal session times. If it is a warm day please ensure you have applied sun cream to your child, they are wearing a sun hat and bring a full water bottle. We advise that your child wears trainers rather than sandals or flip-flops as they will be walking in the park.

We would like to thank all those parents who have volunteered to help on the trip. However, if anyone is not able make it, please let a member of staff know so we can adjust our numbers.

It will soon be our Graduation day for the children who are going up to Reception. If you have not already done so, please return the reply slip as soon as possible?

Thanks again for all your support
Laurie Kidd/Alice Larkman
EYFS Leader/ Nursery Teacher
