Attendance

When a child attends school for over 97% of the time, they take an important step towards reaching their full potential.

The classes with the highest attendance last week were: 2NJ m100% 3/4GS 100%

28.5 days of learning were lost due to lack of attendance.

eSafety

Child predators often hang out on social networking, gaming and chat sites to try to find their victims.

Maths Calculation Policy

If you would like to find out how we teach maths across school, please have a look on the website, on the policy tab, where you can find a document outlining our strategies.

If you have any questions, please contact me.

Maths Homework

At the beginning of each new school year all children are tested on their times table facts, beginning at the 2 times table. We understand that after the long summer, some of the facts have been forgotten and your child may be asked to re-learn a table that has previously been regarded as secure.

We can already see children progressing up the ladders - well done!

Christmas Cards

Your child/children will have brought home a Cauliflower Christmas card design on Friday 21st September.

Parents/Carers wishing to order printed cards, mugs or gift labels will need to return the design, attached to the completed form, by Monday 1st October at the latest.

Payments need to be paid via Parent Pay by Monday 1st October at the latest.

The cards, mugs and gift labels will be ready early in December.

CONSIDERATE PARKING

Could all drivers dropping or collecting children off at school, please show some consideration for the residents and businesses of the local area, particularly around Bishopton Court and Bishopton Road West.

Target Meetings

October 9th 3.30pm - parents/carers invited in to have their child's targets explained.

October 9th 4.00pm - parents/carers invited in to have their child's targets explained. (This is a second meeting if parents/carers can't make the first meetings or have siblings in school.)

For parents/carers who can't make it, the information shared will be put onto the school website.

SHOE BOX APPEAL - 2018

Once again we are collecting items to donate to the Shoe Box Appeal which sends essential items to those less fortunate than ourselves. This year the appeal will help children and families in the Ukraine. Could you please donate items such as toiletries, t-shirts, stationery, balls and socks & underwear, by sending them into school with your child/children?

Thank you.
