

St. Mark's CofE Nursery

Weekly Newsletter w/b 26/11/18

This week's topic is 'Superheroes'.

We will be continuing our theme of 'Superheroes' this week, looking more at how we can be Superheroes. We will talk about how we can look for danger in our environment and become 'Danger Detectives', making sure we all stay safe. We will talk about how we look after each other and how to be kind and building on our Christian value of 'trust'. This week we will also be scientists, seeing how we can save the superheroes ourselves using magnets. Since the children have really enjoyed the Superhero role play, we will continue with this, encouraging their communication and interactions.

Please help:

We would like to make Superhero smoothies this week, looking at what keeps us strong and healthy enough to be Superheroes! If you could send in a banana with your child to help us with this, it would be much appreciated. Thank you.

Things to do at home:

You could encourage your child to write at home. They could mark make a superhero secret message or think of, and attempt to write their own superhero name. If your child is not keen on mark making with a pen or pencil yet, you could encourage them to use their finger to write in shaving foam or flour. Please send in any writing the children do at home for them to share in nursery.

Special Events:

I will be inviting the parents of new starters in soon to discuss how they have settled in. This will also give you chance to talk about any queries or concerns you have. We look forward to having you in soon.
