

St. Mark's CofE Nursery

Weekly Newsletter w/b 21/1/19

This half term's overarching topic is 'Traditional Tales'. This week will be 'Three Billy Goats Gruff'.

This week we are looking at the tale of 'Three Billy Goats Gruff'. We will be focusing a lot on our maths work this week including size, ordering of the goats and positional language. We will be working on our fine motor skills with making playdough trolls, forming the number 3 in the messy play and practising our pencil control with letters to the troll.

Please help:

If you have any copies of the 'Three Billy Goats Gruff' book, please could you send them into Nursery to share with the children this week.

Things to do at home:

We would like to create a display board of the children's work that they do at home. If your child has completed a piece of work which they and you are proud of, please could you send it into Nursery to be displayed proudly. It could be them writing their name, numbers or a picture

**Thanks again for all your support
