

St. Mark's CofE Nursery

Weekly Newsletter w/b 13/5/19

This half term our overarching topic is 'Growing'.

We are looking at growing flowers, plants, vegetables and fruit. Alongside this we are looking at what keeps plants healthy and what keeps us healthy.

This week we are looking at fruit by using the story book of 'Oliver's Milkshake' as an aid. We will be looking at what foods keep us healthy and also what in the bathroom cupboard is dangerous.

Things to do at home:

Please can you help and work with your child to write their own name. If they are able to write their name already, try their last name too and see if they can name the individual sounds of the letters. You could also help your child learn their shapes by pointing out shapes in the environment and trying to name them.

Please help:

Please can you check if you have any of our reading books at home? We are missing a few and unfortunately we will be unable to give them out again until we have them returned. Thank you.

If you have not yet returned your trip letter/paid on ParentPay can you please do this as soon as you can?

Lost property: We have a big bag of lost property in our cloakroom. If you are missing anything please look through and claim what is yours.

Special Events:

- Zoolab visit – Thursday 6th June
- Pyjamarama Day – all to come dressed in pyjamas for charity – Friday 7th June
- Reception transition/new starter lunch and meetings – 11th and 12th June (more information to follow closer to the time).
- Preston Park trip – Thursday 20th June

Thanks again for all your support
