

# St. Mark's CofE Nursery

## Weekly Newsletter w/b 3/6/19

### **This half term our overarching topic is 'Mini explorers'.**

This week our focus is on 'Snails'.

We will be looking at different circle and spiral patterns. We will be using our gross motor skills to move slowly like a snail and paint some spiral shell pictures. We may also even get to see a giant snail at our Zoolab visit!

### **Things to do at home:**

You could go on your own bug hunt and think about different ways to record what you have found, e.g. a tick sheet, a tally chart, pictures or you could think of your own way!

### **Please help:**

*As the weather has been warm recently, and hopefully will remain so, please can I ask that you either apply an all-day sunscreen before your child comes to Nursery or if you would like us to reapply sunscreen during the day please can you pass the bottle to a member of staff to keep in the office due to allergies within Nursery.*

*Also ensure you bring water bottles and hats.*

Can children please stop bringing toys to Nursery because they can easily be misplaced or lost causing upset.

Please can you check if you have any of our reading books at home? We are missing a few and unfortunately we will be unable to give them out again until we have them returned. Thank you.

Lost property: We have a big bag of lost property in our cloakroom. If you are missing anything please look through and claim what is yours.

### **Special Events:**

- Zoolab visit – Thursday 6<sup>th</sup> June
- Pyjamarama Day – all to come dressed in pyjamas for charity – Friday 7<sup>th</sup> June
- Reception transition/new starter lunch and meetings – 11<sup>th</sup> and 12<sup>th</sup> June (more information to follow closer to the time).
- Preston Park trip – Thursday 20<sup>th</sup> June
- Garden Party (see Facebook or Nursery window for more details) – Wednesday 26<sup>th</sup> June

**Thanks again for all your support**
