

St. Mark's CofE Nursery

Weekly Newsletter w/b 6/5/19

This half term our overarching topic is 'Growing'.

We are looking at growing flowers, plants, vegetables and fruit. Alongside this, we are looking at what keeps plants healthy and what keeps us healthy.

This week we are looking at fruit by using the story book of 'Oliver's Fruit Salad' as an aid. We will be looking at the different seeds in fruit, we will be counting the fruit in our shop and café and we will also get to make our own fruit salads (and eat them!).

Things to do at home:

Please can you help and work with your child to write their own name. If they are able to write their name already, try their last name too and see if they can name the individual sounds of the letters. You could also help your child learn their shapes by pointing out shapes in the environment and trying to name them.

Please help:

Please can you check if you have any of our reading books at home? We are missing a few and unfortunately we will be unable to give them out again until we have them returned. Thank you.

If you have not yet returned your trip letter/paid on ParentPay can you please do this as soon as you can?

Special Events:

- Bank Holiday – Monday 6th May
- New starters to Nursery meeting – Wednesday 8th May
- Zoolab visit – Thursday 6th June
- Reception transition/new starter lunch and meetings – 11th and 12th June (more information to follow closer to the time).
- Preston Park trip – Thursday 20th June

Thanks again for all your support
