

Year 6  
Spring 1 2024

### Maths

This half term the children are going to be revising all of the topics that they might encounter in their Year 6 SATs.

### English

This half term the children are going to be revising all of the topics within Spelling, Punctuation and Grammar, that they might encounter in their Year 6 SATs.

### RE

In RE we are continuing to answer the question: How do religious people live through good and bad times?

### Science

In Science the children will be working Scientifically. This means they will be participating in planning and recording whole class investigations.

### Geography

In Geography we are carrying on with our learning of aquatic biomes, with a focus on seas and oceans.

### Art

In Art the children will be looking at Andy Warhol and Banksy and will be creating a self portrait in their style.

### RSHE

In RSHE we are going to be looking at how the children become more independent.

### P.E.

Within PE the children are going to be learning the skills needed for tennis and cricket.

### Computing

Children will be using software to develop their coding skills.

### Music

In music, we will continue to develop our skills in understanding how music flows and is written.

### MFL

In French, we are learning all about shapes.

### Trips, Special Events and Websites

7th March World Book Day
