

Year 6
Spring 1 2024

Maths

This half term the children have already begun their learning into negative numbers and then we shall revise their skills in the 4-operations.

English

This half term the children will be writing a biography about David Attenborough before writing a fact filled non-chronological report.

We are focussing on the Grammar that makes our writing easier to read.

RE

In RE, we have looked at the origins of the bible and will be recapping the important themes that we have covered this year.

Science

In Science the children will be learning about living things and their habitats. They will be describing the life cycle of mammals, amphibians, insects and birds.

History

In History this half term the children will be learning about World War 2. Specifically looking at Winston Churchill and Adolf Hitler.

DT

In DT the children will be learning about structures. They will design, make, test and evaluate a model bridge.

RSHE

In RSHE we are going to be looking at puberty. Specifically changing bodies and emotions.

P.E.

Within PE the children are going to be learning the skills needed for cricket and dance.

Computing

In Computing the children are going to be learning to use Office software to create suitable documents and presentations for a selected audience.

Music

In Music we are going to be looking at the history of music and will be comparing modern and Baroque music.

MFL

In MFL the children are going to be learning about countries from around the world.
