

ARB
Summer 2 2024

Maths

In maths this term we will all be working on similar themes but in groups to meet our individual learning needs.

Children will be looking at the four operations addition, subtraction, multiplication and division to problem solve.

Next children will be learning about position and direction, this involves describing turns, movement and using a grid to plot coordinates.

We will then begin to explore statistics, looking at graphs, analysing data and completing graphs.

English

In English we are working in groups to meet our individual learning needs.

As a class we are writing a set of instructions to make a kite, we are then going to make a kite using our own instructions.

Next we are going to immerse ourselves into a world of fantasy and write a setting description for an imaginary setting.

Lastly we are going to listen to a story and write an alternative ending for the story

Trips, Special Events and Websites

In class we use songs and rhymes to support our learning and understanding. Here are a few to listen to with your child

[Phase 3 Tricky Words Song Say Hello To \(youtube.com\)](#)

[Phase 4 Tricky Words Song Sight Words Song for said, have, like, come, some, what, when \(youtube.com\)](#)

[6 Times Table Song \(Flowers by Miley Cyrus\) \(youtube.com\)](#)

[3 Times Table Song \(Green Green Grass by George Ezra\) \(youtube.com\)](#)

Sensory

This term in sensory we are exploring our sense of smell, touch and taste.

In class we will explore different types of foods and ingredients with the aim to use the ingredients to make a meal or bake. Enabling the children to see an end product for individual ingredients.

Life skills

This term in life skills we are focusing on

Learning and Engagement

In the life skill session we will explore;

Tolerates others in a play scenario, Shows awareness of change, Responds positively to supporting adult's bid to engage, Asks questions about topic, Explores items using senses, Investigates how an item works, Takes turns to explore items, Completes one task before moving on to next,

Topic

Topic this term: DT

DT- We are going to create our own kite to fly.

DT- We are going to engage our fine motor and practice sewing.

DT- We are going to make wildlife habitats to support wildlife on the school grounds.

We are reading

This term we are going to look at non fiction books and discuss how they differ from fiction books.
