

<u>English</u>

In English, we are continuing with the foundations of writing such as punctuation, sentence structure and spelling.

We are researching Ancient Egypt and writing setting descriptions using powerful adjectives. We will be thinking about our senses and writing as if we were there!

Year 4 Autumn 2024

RE

We will be exploring what Hindu symbols and stories show about belief in Brahman this term. We will use our knowledge and ideas about what God means to Christian believers to compare and contrast.

Science

Maths

This half term, we will be building on our learn-

ing of place value and using this to help us

solve word problems. We will be thinking about different ways we can partition numbers up to

10,000 and placing numbers on a number line.

We will also learn how to round numbers to the nearest 10, 100 or 1000.

In Science we will be investigating different food groups and discuss their nutritional value. We will classify foods into different groups and debate what a balanced diet looks like.

Geography

This half term, we will be learning about
the Lake District, We will begin by learning the location of different national
parks, before learning about the physical
and human features that make up The
Lake District, We will also look at the
water cycle and how this works.

DT

Cape Verde

We will be learning what a pneumatic device is and how they work. We will be designing and making a vehicle that moves and choosing appropriate materials to construct our product. We will test and evaluate our designs.

RSHE

In RSHE we will be learning about relationships and how to spot healthy relationships. We will learn ways we can show courtesy to others and will find out about the rights and responsibilities of a child.

P.E.

In PE, we will be working hard to improve our basketball skills. We will learn ways to move with the ball, dribble the ball and score. We will also play a game called 'Runners', where we will have chance to practice our batting and fielding skills as well as working as a team.

2012 Encyclopædia Britannica, Inc.

Computing

In Computing we are going to recording different audio and video clips. We will use different applications and devices and edit the recordings we make.

Music

This half term, we will be learning about Disco music! We will look at how it has influenced other genres and learn a song in the style of disco.

Trips, Special Events and Websites
