

English

This half term, children will be writing a biography about William Shakespeare. We will also be writing a travel guide based on our History topic of Ancient Greece. We will teach the children to use prepositions. For each of these topics, children will write a supported and independent piece.

Year 3 Summer 2025

RE

Children will look at the deeper meanings of festivals through the lens of three different religions. They will look at similarities and differences. Children will recap the units that they have learned already this year.

Science

mass and capacity and temperature.

Maths

In maths we will be looking at measurement. Chil-

dren will be reading scales (extending to decimal

notation) and developing their understanding of

concepts such as equivalence through units on

This half term, children will be covering working scientifically. That means that they will be conducting a range of experiments. We will also recap previous learning from the year.

History / Geography

In History, we will be learning about Ancient Greece and the impact that it had on Britain today. In Geography, we will be looking at climate zones and what they are.

DT / Art

Cape Verde

In DT, children will be designing, making and evaluating both cakes and pizzas. In Art, children will be learning about Ancient Egyptian Death Masks.

PSHE/RSE

In PSHE, we will be learning about food groups and identifying healthy and unhealthy food choices. We will be 'food detectives', trying some different fruits and vegetables and we will learn about the importance of a balanced diet.

P.E.

During this term, children will be continuing to develop choreography in dance by demonstrating various skills such as repetition and synchronisation with others. We will also be working on Zone Cricket, where children will learn to accurately strike the ball, how to successfully aim for a target, as well as using their throwing skills.

Encyclopædia Britannica, Inc

Computing

Children will look at word processing. They will look at using a range of different tools to change the look, style and images in their work. Children will create a document that contains both images and text.

Music

In Music this half term, children will be learning the skills they need to be able to play the recorder. They will learn to read music and play along with songs.
