

Year 5
Summer 1 2025

English

In English, children will be recapping the spelling, punctuation and grammar skills they have learnt last year and as well as learning some new skills.

This half term, the children will writing biographies and autobiographies.

Maths

In Maths, the children will begin by learning about negative numbers. This will include solving problems with negative numbers in. We will then recap using the four operations and applying this to time and money.

RE

This half term, we will be learning about humanism. We will be comparing humanism to Christianity and discussing similarities and differences.

Science

In science, we will continue with the topic of evolution and inheritance. We will then recap some topics covered earlier in the year.

Geography/ History

In geography, we will be learning about rainforests.

In history, we will be learning about The Tudors.

Art/D.T

In art, we will be learning about and creating work in the style of William Morris.

In DT, we will be designing and making tote bags.

PSHE/RSE

In PSHE we will learning about first aid. We will also be learning about how to stay safe in our community.

P.E.

.This half term, we will be completing a dance unit and learning how to play Kwik cricket..

Computing

In computing, we will be creating researched PowerPoints. The children will be learning how to add backgrounds, transitions, animations

Music

In music this half term we will be focusing on the Romantic period. We will be learning to play the ukulele.
