

Maths

Daily, the children will learn:
Subitising to 3
Finger numbers to 5
To recognise numbers to 3
Counting to 10
2D shape names and properties
Positional language
The days of the week
Other maths concepts will be taught through continuous provision and adult interactions.

Communication and Language

Children will also be learning to 'Fred Talk' through Letters and Sounds games and activities.
Children will learn to listen and respond to stories.
Some children will take part in the Talk Boost programme.
Children will begin to mark make and write their name.

Nursery
Spring
2026

Science

The children will be learning about different materials and how some materials can be waterproof, magnetic or strong. They will investigate what happens when ice melts.
They will also be learning about animals. They will learn: to name animals, including their babies; and how animals, such as hens, change and grow during their life cycle.

RE

The children will learn about celebrations such as Valentine's Day and Shrove Tuesday (pancake day). They will learn about the Easter story through stories and role play.

History

The children will talk about how school was different for their parent or grandparents.

Geography

The children will talk about the location of their school in relation to familiar local places.

Art

The children will be learning how to apply paint using different tools and how to create sculptures from dough.

DT

The children will experiment with junk modelling and making moving pictures.

PSED

The children will learn about "people who help us" by talking about different familiar jobs.

The children will be supported with their development of managing themselves, self-regulation and building relationships throughout the daily routines and activities in nursery.

P.E

We will be focusing on the skills of Negotiating space and obstacles safely and others as well as Running, Climbing, Balancing and Co-ordination.

Enhancements and visitors

Visits from "people who help us",

Living eggs (Chicks)
Messy Easter TBC

Music

The children will learn familiar nursery rhymes and songs. They will experiment with playing percussion instruments and keeping a beat.
