

# Year 4

## English

In English this half term, we will start by learning about the features of a newspaper report. Then, we will revisit the features of a non-chronological report, focusing on the SPG techniques used to achieve the purpose of the text.

## Maths

This half term, we will start by learning about fractions, building on our knowledge. We will then focus on geometry and shape, including length, perimeter and area.

## RE

In RE, we will be revisiting our previous learning to ensure the ideas and beliefs are embedded. We will be doing this through creating a stained-glass windows project based on Bible stories.

## Science

This half term, we will be learning about sound and exploring how sound vibrations are made, which parts of the ear are used to hear and how distance can affect sound and how we hear things.

## Geography / History

This half term, we will be learning about Europe and the countries within it. We will look at the different landmarks, human and physical features.

In History, we will be looking at local history and what we can see today that has been influenced by the Romans.

## Art / DT

In Art, we will be focusing on sketching and practicing different techniques, whilst learning about the work of Roy Lichtenstein.

In DT, we will be designing, making, testing and evaluating towers.

## RSHE

In RSHE we will be thinking about trusted adults and why they are special. We will also be learning about how our choices make a difference to the environment. We will also revisit ways we can stay safe online.

## P.E.

In PE, we will be learning the rules and skills needed to play rugby. We will practice how to correctly hold, throw and catch a rugby ball and apply the skills in a match. We will also be learning the skills and rules required for mini-tennis. We will practice hitting a ball to our partner in different ways and moving effectively to hit the ball.

## Computing

In computing, we will be learning how we can program a digital turtle using [turtleacademy.com/playground](http://turtleacademy.com/playground).

We will also be looking at our online safety in an evolving world of AI and technology.

## Music

In Music, we will be expanding our use of instruments..

## French

We will be learning about buildings and monuments in France.
