

# Year 2

**Maths**

This term in Year 2, we are learning about 3D shape, fractions, and measure.

In Summer 2 we are revisiting time, multiplication and division as well as learning about position and direction.

**English**

This half term, children will be able to write about real events and facts in a non-chronological report.

In Summer 2, we are going to be writing stories and instructions.

We will also be continuing our RWI and reading lessons daily.

**RE**

This term we will be answering the questions:

- What does it mean to belong to a faith community?
- How should we care for the world and for others?

**Science**

This term, we will be looking at animals including humans and also learning about plants and what they need to be able to grow.

**History/Geography**

In History, children will be looking at courageous advocates through history and their impact.

In Geography, we are learning about cold places in the world.

**DT/Art**

This term in DT we will be focussing on designing, constructing and evaluating our own bridges.

In Art, we are learning about collage.

**PSHE/RSE**

We are going to be looking at things that help us stay safe and be healthy, as well as personal hygiene and the body.

**PE**

In PE we will be looking at athletics and orienteering in Summer 1, and in Summer 2, dance and boundary line (learning cricket skills).

**Computing**

In computing, we will be making digital music in Summer 1. In Summer 2, we will be learning how to use Word, as well as continuing to learn about online safety.

**Music**

Year 2 will be learning to listen to and appraise classical music.

We will also be learning to play un-tuned instruments.
