

**Year 5**  
**Summer 2026**

### English

In English, children will be recapping the spelling, punctuation and grammar skills they have learnt last year and as well as learning some new skills.

The children will writing biographies and autobiographies. We will also be writing some mystery stories.

### Maths

In Maths, the children will begin by learning about negative numbers. This will include solving problems with negative numbers in. We will then recap using the four operations and applying this to time and money.

### RE

In RE, we will be learning about humanism. We will be comparing humanism to Christianity and discussing similarities and differences.

### Science

In science, we will be learning about Earth and space. We will be using secondary research to find out more about the Earth, the moon and the Sun.

### Geography/ History

In geography, we will be learning about rainforests.

In history, we will be learning about the Benin Bronzes

### Art/D.T

In art, we will be learning about and creating work in the style of Pablo Picasso

In DT, we will be designing and making a draw bridge.

### PSHE/RSE

In PSHE we will learning about first aid. We will also be learning about how to stay safe in our community.

### P.E.

.This half term, we will be completing a dance unit and learning how to play Kwik cricket..

### Computing

In computing, we will be creating researched PowerPoints. The children will be learning how to add backgrounds, transitions, animations

### Music

In music this half term we will be focusing on the musician Bob Marley. We will also be learning how to play the ukelele.
