PE Apprentice	To increase sports participation and opportunities, a sports apprentice will join the team to work alongside staff in planning and delivering sporting activities for children at playtimes, lunch time and after school. The apprentice will also work with the Sports Crew to increase children's physical activity throughout the school day. Every time the sports apprentice has delivered intra school competitions across the full school.	The sports apprentice has used their specialist knowledge to support with the delivery of lunch time and after school clubs, targeting the most inactive. This has increased participation for many children and supported them in being active for 30 minutes or more whilst at school. More children have been supported and challenged during PE lessons as the sports apprentice has been available to target specific children. The sports apprentice has also worked alongside staff members helping them to increase their confidence in delivering PE lessons. The sports apprentice has given the children opportunities to participate in competitive sports every half term by delivering intra schools, alongside the sports crew, such as hockey, football, netball, athletics. Competition SLA from Stockton School Sports Partnership.	To provide opportunities for all pupils to access competitive sport. Every child attended a competition or festival and competed against other children from local schools. Competitions included: girl's football, basketball, cross country and many more.	Children have had the opportunity to attend participate and competitive events with Go Well for a range of familiar and unfamiliar sports. We have also used the knowledge gained to host intra school tournaments linking to key sporting events. This has resulted in the children feeling more confident in competitive situations and wanting to be part of a	Record of attendance Pupil voice questionnaires	5	£2,574

		team. Where children have participated in events for 'participation' children have had fun and enjoyed the experience. This has resulted in more engagement in PE lessons, as well as lunch time clubs.			
Transport	Buses to transport pupils to and from different competitions and events throughout the year.	This allowed every single child in the school to attend at least two participation events and one competitive event for familiar and unfamiliar sports.	Invoices Competition tracker	5	£4545
Equipment	Equipment is needing to be purchased to ensure that an engaging curriculum can be continually delivered. Due to the amount certain equipment is used, regular updates are required. Examples include – Moki batteries, soft balls, bean bags, tennis balls, bibs for competitions and athletics equipment.	Has increased the children's enjoyment by having up to date equipment. More children have attended clubs so that they can experience the new equipment, especially the new dance equipment and new archery equipment. Also, we have been able to offer clubs and Intraschool competitions which we have previously been unable to offer providing a greater variety of clubs e.g. Tag-Rugby and dodgeball. Some of these decisions were made after discussions with the sports crew and the pupil parliament. New equipment is reusable and will last a longer period before needing replacing. Trust Sports Day/Medals and Trophies	Participating in the Trust Sports Day has raised the profile of physical activity across the school by providing all pupils with the opportunity to take part in inclusive and competitive sporting events. The event encouraged teamwork, resilience and sportsmanship while allowing pupils to represent their school in a positive environment. Pupils were awarded medals to recognise their achievements and effort, creating a memorable experience and further motivating them to engage in PE, competition and regular physical activity both in and out of school.	To raise the profile of physical activity, children will participate in a sports day with the Trust giving the children the opportunities for all children to access competitive sports.
